**WHEREAS**, the Mayor and City Council of Baltimore ("City") wishes to encourage all contractors awarded City contracts to agree to employ skilled and qualified Baltimore City residents to meet the contractor's employment needs created as a result of the award of a City contract; and

**WHEREAS**, MOED wishes to establish and maintain an ongoing relationship with City contractors in an effort to address current and future employment and/or training needs; and

**RESOLUTION OF THE BOARD OF ESTIMATES OF BALTIMORE CITY  
FOR A HUBZONE NEIGHBORHOOD PREFERENCE IN SOLICITATIONS**

**WHEREAS**, pursuant to Art. VI, §2 of the Charter, the Board of Estimates ("Board") shall formulate and execute the fiscal policy of the City and may promulgate rules and regulations to exercise its powers and to perform its duties; and

**WHEREAS**, pursuant to Art. VI, § 11.(a) of the Charter, the Board shall be responsible for awarding contracts and supervising all purchasing by the City as provided in this section and elsewhere in the Charter; and

**WHEREAS**, pursuant to Art. VI, § 11.(h)(1)(vi) of the Charter, the Board may adopt rules and regulations that establish uniform procedures for providing, on a neighborhood service, neighborhood public work, or neighborhood public improvement contract, limited bid preferences to responsive and responsible bidders who are residents of, or have their principal places of business in, that neighborhood; and

**WHEREAS**, the Board desires the City Purchasing Agent and City agencies to use good faith efforts to consider limited bid preferences to responsive and responsible bidders who are residents of, or have their principal place of business in neighborhoods that are within historically underutilized business zones ("HUBZones") designated by the U.S. Small Business Administration ("SBA"); and

**WHEREAS**, the Board desires to define "neighborhood" below for the purposes of Art. VI, § 11.(h)(1)(vi) of the Charter in a manner that assists City neighborhoods collectively which have similar challenges of low median household incomes and/or high unemployment; and

**WHEREAS**, the purpose of the below "HUBZone Neighborhood Preference" is to help small businesses in this "neighborhood" to gain access to City procurement opportunities which should increase employment opportunities, stimulate capital investment, and empower City neighborhoods through economic leveraging; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ESTIMATES OF BALTIMORE CITY**, that the following resolution applies to all solicitations more than \$50,000 issued by the City Purchasing Agent or City agencies under Art. VI, § 11.(h) of the Charter that meet the following requirements:

1. "Neighborhood" for the purposes of Art. VI, § 11.(h)(1)(vi) of the Charter is defined as all of the Federally-designated HUBZones in Baltimore City.
2. 3. For an invitation for bids, the bid of a bidder with a HUBZone Neighborhood Preference shall not be more than 10% higher than the lowest responsive and responsible bidder without a HUBZone Neighborhood Preference. For a request for proposals, the total score of a bidder with a HUBZone Neighborhood Preference shall not be lower than 90% of the total score of the highest scoring responsive and responsible bidder without a HUBZone Neighborhood Preference. The City Purchasing Agent or City agency may set the percentage (%) for the HUBZone Neighborhood Preference in an

- invitation for bid or request for proposals.
4. The Board may award a contract giving consideration to the HUBZone Neighborhood Preference.
  5. Within 90 calendar days after the end of each fiscal year, the City Purchasing Agent and each City agency shall submit a report to the Board on the operation and effectiveness of the HUBZone Neighborhood Preference in relation to the purpose of this Resolution (i.e. small businesses gain access to City procurement opportunities, increase employment opportunities, stimulate capital investment, and empower City neighborhoods through economic leveraging in the neighborhood).
  6. The HUBZone Neighborhood Preference should not be used to the extent it actually conflicts with statutes, regulations, written policies, or rules specific to the use of the funds to be expended under the contract.
  7. The Department of Finance shall adopt rules and regulations to carry out this Resolution or to clarify any terms or phrases in this Resolution.
  8. A copy of this Resolution shall be filed in the Department of Legislative Reference.

- A. The Local Hiring Law applies to every contract for more than \$300,000 made by the City, or on its behalf, with any person. It also applies to every agreement authorizing assistance valued at more than \$5,000,000 to a City-subsidized project. Unless the Mayor's Office of Employment Development ("MOED") grants an exception under the Local Hiring Law, at least 51% of the new jobs required to complete the contract or project must be filled by Baltimore City residents.
- B. Within two (2) weeks of the Board of Estimate's award of the contract or approval of the agreement, the contractor shall have a meeting, either in person or via telephone, with MOED to complete an employment analysis and review the workforce plan required for such contract or agreement. The contractor will not receive any payments under the contract or agreement, unless and until the employment analysis is performed. Contact information for MOED can be found on its website:.
- C. Should the contractor's workforce plan indicate a need to fill new jobs, the contractor shall post the new job openings with MOED's One Stop Career Center Network for a period of seven (7) days prior to its publicly advertising these openings. Further, the contractor shall interview qualified Baltimore City residents referred from MOED; and unless granted an exception, fill at least fifty-one percent (51%) of the new jobs required to complete the contract or project with Baltimore City residents.

Additional helpful information-<https://smba-d.baltimorecity.gov/>

**Information about the prime contractor and subcontractor payment confirmation process:**

Once the prime contractors have added their current subcontractors and they are approved, the prime contractors will need to enter the payments that they have made to each subcontractor individually by month, the subcontractor will receive a notification to verify and confirm those payments. Once the prime contractors have added the subcontractors and the payments, SMBA&D highly suggest the prime contractors to reach out to the subcontractors to verify they have received notice to review and confirm the payments. If the wrong amounts are confirmed, or entered, or there is a discrepancy, it will require additional documentation from both parties to resolve. The prime contractors should take the time to review the amounts they are inputting, and the subcontractors should review the amounts they are confirming.

During the term of the contract, any unjustified failure to comply with the levels of MBE and WBE participation identified in the bid is a material breach of contract. Art. 5, §28-48 (e).

**§ 25-1. Definitions.**

**(a) *Apprentice.***

- (1) The term "apprentice" as used in this subtitle means a person at least 16 years of age who has entered into a written agreement with an employer or his agent, an association of employers, or an organization of employers, or a joint committee representing both, and which shall state the trade, craft, or occupation which the apprentice is to be taught, and the time at which the apprenticeship will begin and end.
- (2) All such apprenticeship agreements shall be approved by the Maryland Apprenticeship and Training Council, and certification of such approval shall be furnished to the Wage Commission.

**(b) *Contractor.***

"Contractor", as used herein, shall mean the person, firm or corporation awarded a City contract or engaged in a project receiving funds from tax increment financing in excess of \$10,000,000.

**(c) *Subcontractor.***

"Subcontractor", as used herein, shall mean any person, firm or corporation, other than the contractor, performing any work upon the site of the project, whether subcontractor or lower tier contractor.

*(City Code, 1966, art. 1, §1(c); 1976/83, art. 1, §19(parts).) (Ord. 59-1960; Ord. 67-969; Ord.73-348; Ord. 19-226.)*

**§ 25-2. Scope of subtitle.**

**(a) *City contracts over \$5,000.***

This subtitle applies to each and every contract in excess of \$5,000 made by the Board of Estimates (hereinafter referred to as "the City"), or on its behalf, with any person, firm or corporation for the construction, reconstruction, erection, conversion, installation, alteration, repair, maintenance, renovation, razing, demolition, moving, removing, grading, paving, repaving, curbing, filling, excavation, or any other operation or work to be done or performed in, on, upon, or in connection with any building, bridge, viaduct, tunnel, tower, stack, or other structure, airport, land, highway, pier, wharf, sewer, drain, main, conduit, machinery, or mechanical, electrical, or other equipment.

**(b) *Tax increment financing projects over \$10,000,000.***

This subtitle applies to each and every project approved by the Mayor and City Council on or after January 1, 2019, receiving funds from tax increment financing in excess of \$10,000,000

in the aggregate to the extent those funds are used in whole or in part for the construction, reconstruction, erection, conversion, installation, alteration, repair, maintenance, renovation, razing, demolition, moving, removing, grading, paving, repaving, curbing, filling, excavation, or any other operation or work to be done or performed in, on, upon, or in connection with any building, bridge, viaduct, tunnel, tower, stack, or other structure, airport, land, highway, pier, wharf, sewer, drain, main, conduit, machinery, or mechanical, electrical, or other equipment. (City Code, 1950, art. 1, §14(intro par.); 1966, art. 1, §16(a); 1976/83, art. 1, §19(intro).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 89-309; Ord. 19-226.)

### § 25-3. Workday.

#### (a) Regular work day.

8 hours shall constitute a regular work day for every laborer, mechanic, and apprentice working directly upon the site of the work for any contractor or subcontractor engaged in the performance of the contract.

#### (b) Overtime.

All hours worked on Saturdays, Sundays and all hours worked in excess of 8 hours per day on Monday through Friday and all hours worked on such legal holidays as shall be designated by the Board of Estimates as overtime holidays constitute overtime hours.

(City Code, 1950, art. 1, §14(a), (b); 1966, art. 1, §16(b),(c); 1976/83, art. 1, §19(a).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348.)

### § 25-4. Worker classifications.

Every such laborer, mechanic, and apprentice shall be properly classified according to his trade and skill into a classification specifically set forth in the contract, which classification has been established by the Board of Estimates as provided herein.

(City Code, 1976/83, art. 1, §19(b).) (Ord. 67-969; Ord. 73-348.)

### § 25-5. Prevailing wages - In general.

#### (a) Payment required.

- (1) Every mechanic, laborer, and apprentice shall be paid not less often than once a week, and without subsequent deduction or rebate on any account (except payroll deductions as are directed or permitted by law, by a collective bargaining agreement, or by specific written authorization from an employee), the full amount due at the time of payment computed at wage rates not less than the prevailing hourly wage rate established by the Board of Estimates and set forth in the contract.
- (2) No hourly employee, other than an apprentice, working directly upon the site of the work, may be paid less than the amount established for the lowest classification on the project.

(b) *Rates to be posted.*

(1) A copy of the prevailing hourly wage rates shall be kept posted by the contractor at the site of the work in a prominent place where it can be easily seen and read by the workers.

(2) If a copy of the prevailing hourly wage rates is not posted, the contractor shall forfeit and pay to the City a penalty in the amount of \$20 per day for each day on which the copy is not posted. Each day's violation constitutes a separate offense.

(City Code, 1950, art. 1, §14(d); 1966, art. 1, §16(e); 1976/83, art. 1, §19(c)(1).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 89-309; Ord. 08-085.)

**§ 25-6. Prevailing wages - Overtime.**(a) *Payment required.*

The contractor and every subcontractor shall pay every such laborer, mechanic, or apprentice compensation at the overtime rates established by the Board of Estimates, which shall not be less than 1½ times the regular hourly rate of pay, for all hours worked in excess of 8 hours in any work day, on a Saturday, Sunday or a legal holiday designated as an overtime holiday by the Board of Estimates.

(b) *How computed.*

No overtime hours, however, shall be compensated for more than once and overtime shall be paid only on the regular hourly rate of pay and not on the fringe benefits or their cash equivalents, provided for in § 25-17 of this subtitle.

(City Code, 1950, art. 1, §14(b); 1966, art. 1, §16(d); 1976/83, art. 1, §19(c)(2).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 08-085.)

**§ 25-7. Prevailing wages - Sanctions for underpayment.**(a) *\$50 per day.*

In the event that any such laborer, mechanic, or apprentice shall be paid less than the compensation to which he shall be entitled hereunder, the contractor shall make restitution to such affected employee for the amount due, and shall forfeit and pay to the City a penalty in the amount of \$50 per day for each employee so underpaid.

(b) *Exception.*

Provided, however, that no penalty shall be assessed for wage violations to any individual which amount to a total of less than \$1 in any payroll period.

(c) *Each day a separate offense.*

Each day's violation shall constitute a separate offense.

(City Code, 1950, art. 1, §14(g); 1966, art. 1, §16(h); 1976/83, art. 1, §19(c)(3).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 89-309; Ord. 08-085.)

Any laborer, mechanic, or apprentice may within 1 year from the date of the incident file a protest in writing with the Wage Commission, objecting to the amount of wages paid for services performed by him on a public project as being less than the prevailing wages for such services.

**(b) Retaliation prohibited.**

(1) It is unlawful for any contractor or subcontractor to discharge, reduce the compensation of, or otherwise discriminate against any laborer, mechanic, or apprentice for making a complaint to the Wage Commission, participating in any of its proceedings, or availing himself or herself of any civil remedies.

(2) In such a case, the Wage Commission may, pursuant to similar procedures as provided in Article 11, Subtitle 1 of the Baltimore City Code, as amended, order appropriate restitution or the reinstatement of such employee with backpay to the date of violation.

*(b) Fines.*

In addition, if the contractor is delinquent in submitting any payroll, the contractor shall forfeit and pay to the City a penalty of \$10 for each calendar day that the weekly payroll is late.

- (2) Provided, that whenever an apprentice is employed on any project which is operating under a contract pursuant to the provisions of this subtitle, the Wage Commissioner shall be notified of such employment.

*(b) Laborers.*

- (1) Nothing in this subtitle prevents the employment of laborers to perform work not ordinarily performed by a skilled mechanic or his or her apprentice of the trade, craft, or may perform work ordinarily performed by a skilled mechanic or apprentice of the trade, craft, or occupation.
- (2) Where a laborer performs the work ordinarily performed by any skilled mechanic or his or her apprentice, she or he shall be paid for the entire time she or he has performed that work at

the prevailing hourly wage rate applicable to a skilled mechanic; and in the event of underpayment, restitution shall be made by the contractor to the employee and in addition, the contractor shall be subject to a penalty as set forth in this section.

(c) *Penalties.*

(1) If the contractor or subcontractor utilizes more apprentices than permitted under the ratio established under the provisions of this subtitle, the contractor shall forfeit and pay to the City a penalty in the amount of \$20 per day per employee for each violation. Each day's violation shall constitute a separate offense.

(2) If the contractor or subcontractor pays an employee a laborer's wage rate when the employee is performing work ordinarily performed by a skilled mechanic or a skilled mechanic's apprentice, the contractor shall forfeit and pay to the City a penalty in the amount of \$50 per day per employee for each violation. **§ 25-13. Withholding payments.**

(a) *For outstanding obligations.*

The City may withhold or cause to be withheld from the contractor so much of the accrued payments as may be considered necessary:

- (1) to pay such laborers, mechanics, and apprentices employed by the contractor or any subcontractor the full amount of wages required by the provisions of this subtitle; and
- (2) to satisfy any liability of any contractor or subcontractor for any penalties as provided herein.

(b) *For failure to post rates.*

The City may also withhold payments from any contractor who has failed to post and keep posted a copy of the regular hourly rates as required herein, until such default shall have been corrected.

(City Code, 1976/83, art. 1, §19(f).) (Ord. 67-969; Ord. 73-348.)

**§ 25-14. Investigations.**

(a) *Agency to report irregularity.*

It shall be the responsibility of the contracting agency to promptly examine all weekly project payrolls submitted by contractors and subcontractors working upon the job site for compliance with the provisions of this subtitle and the regulations promulgated in pursuance thereof and to report any irregularities to the Wage Commission.

(b) *Commission to investigate.*

- (1) The Wage Commission shall cause investigations to be made as may be necessary to determine whether there has been compliance with the provisions of this subtitle and the regulations promulgated thereunder, and contained in the contract.
- (2) The contractor and subcontractors shall permit representatives of the City to observe work being performed upon the work site, to interview employees, and to examine the books and records relating to the payrolls on the project being investigated to determine the correctness of classifications, ratios or apprentices to mechanics and any payment of proper regular and overtime rates as required.
- (3) Complaints of alleged violations shall be investigated promptly and statements, written or oral, made by an employee shall be treated as confidential and shall not be disclosed to his employer without the consent of the employee.

(c) *Subpoenas.*

- (1) If necessary for the enforcement of this subtitle, the Wage Commission may issue subpoenas, compel the attendance and testimony of witnesses and the production of books, papers, records, and documents relating to payroll records necessary for hearings, investigations, and proceedings.
- (2) Any such subpoena shall be served by the Sheriff of Baltimore City or any of his deputies.
- (3) In case of disobedience to a subpoena, the Wage Commission may apply to a court of appropriate jurisdiction for an order requiring the attendance and testimony of witnesses and the production of books, papers, records, and documents. Said court, in case of contumacy or refusal to obey any such subpoena, after notice to the person subpoenaed, and upon finding that the attendance or testimony of such witnesses or the production of such books, papers, records and documents, as the case may be, is relevant or necessary for such hearings, investigations or proceedings of the Wage Commission, may issue an order requiring the attendance or testimony of such witnesses or the production of such books, papers, records and documents, and any failure to obey such order of court may be punishable by the court as contempt thereof.

(City Code, 1976/83, art. 1, §19(g)(1), (2).) (Ord. 67-969; Ord. 73-348.)

**§ 25-15. Penalties.**(a) *Debarment for 1 year.*

If the Board of Estimates, upon recommendation from the Wage Commission after notice and hearing, determines that any contractor or subcontractor has failed to pay the prevailing wage rate or has otherwise violated the provisions of this subtitle and that the failure was intentional, no contract may be awarded to that contractor or subcontractor, or to any firm, corporation or partnership in which that contractor or subcontractor has an interest until 1 year has elapsed from the date of the determination.

(b) *Criminal penalties.*

(1) And provided, further, that any such intentional violation of the provisions of this subtitle shall be a misdemeanor, punishable upon conviction by a fine of not more than \$500.

(2) Proceedings before the Wage Commission shall not be considered a precondition to criminal prosecution under this subtitle.

(City Code, 1950, art. 1, §14(g); 1966, art. 1, §16(h); 1976/83, art. 1, §19(g)(3).) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 08-085.)

**§ 25-16. Schedules of prevailing wage rates.**(a) *Board of Estimates to adopt, review, and revise.*

(1) The Board of Estimates may adopt, establish, repeal, modify, change, or amend, from time to time, schedules of prevailing hourly wage rates to be paid to all classes of laborers, mechanics, or apprentices directly employed by any contractor or any subcontractor on the site in any of the various types of work or projects mentioned in or contemplated by this subtitle.

(2) These schedules of prevailing hourly wage rates shall be reviewed and revised by the Board of Estimates at least once every year to conform to the area prevailing hourly wage rates.

(b) *Basis of revision.*

(1) The revision may be based on recommendations by the prevailing wage section of the Wage Commission.

(2) The schedules of prevailing hourly wage rates, including overtime rates for all hours worked on Saturdays and Sundays, and all hours worked in excess of 8 hours per day on Monday through Friday, and all hours worked on legal holidays designated as overtime holidays by the Board of Estimates may not be less in amount than the general prevailing hourly wage rates being paid to laborers, mechanics, and apprentices for doing work of a similar character in the locality in which the project is located.

(3) These general prevailing hourly wage rates shall be determined by the Board of Estimates whose decision in the matter is final.

(c) *Authority of Board not restricted.*

Nothing in this Ordinance limits or restricts in any way the power and authority of the Board of Estimates to classify the type of work to be done for the Mayor and City Council of Baltimore and to establish schedules of prevailing hourly wage rates for these classifications.

(City Code, 1950, art. 1, §15; 1966, art. 1, §18; 1976/83, art. 1, §20.) (Ord. 45-225; Ord. 59-1960; Ord. 67-969; Ord. 73-348; Ord. 08-085.)

**§ 25-17. "Prevailing" wage rates defined; obligation to pay.***(a) Definitions.*

(1) In this subtitle, "prevailing hourly wage rate(s)" includes:

(i) the regular hourly rate of pay; and

(ii) the amount of:

(A) the rate of contribution irrevocably made by a contractor, subcontractor, or third person pursuant to a fund, plan, or program that provides for medical or hospital care, pensions on retirement or death, compensation for time lost from work due to injuries or illness, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of these, for unemployment benefits, life insurance, or accident insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by federal, state, or local law to provide any of these benefits; and

(B) the rate of costs to the contractor or subcontractor that may be incurred in providing the fringe benefits specified in subparagraph (A) to laborers, mechanics, and apprentices pursuant to an enforceable commitment to carry out a financially responsible plan or program that is communicated to the laborers, mechanics, and apprentices affected.

(2) The amount referred to in paragraph (1)(ii)(A) shall be determined by the Board of Estimates on the basis of those fringe benefits found to be generally prevailing for laborers, mechanics, and apprentices doing work of a similar character in the locality in which the project is located. The decision of the Board of Estimates is final.

*(b) Obligation to pay.*

The obligation of a contractor or subcontractor to make payment in accordance with the schedules of prevailing hourly wage rates established by the Board of Estimates and fixed in contracts under this subtitle may be discharged by making payments in cash, by making contributions of any type referred to in subsection (a)(1)(ii)(A), or by assuming a plan or program of a type referred to in subsection (a)(1)(ii)(B), or any combination of these, where the aggregate of the payments, contributions, and costs is not less than the rate of pay described in subsection (a)(1)(i) plus the amount referred to in subsection (a)(1)(ii).

*(City Code, 1976/83, art. 1, §21.) (Ord. 67-969; Ord. 73-348; Ord. 08-085.)*

**§ 25-18. Board of Estimates to adjudicate and assess.***(a) In general.*

The Board of Estimates is hereby authorized and empowered to make any and all rules and regulations from time to time, that may be necessary to effectuate the purpose of this subtitle,

including, but not limited to, the authority to make a final determination as to the amount of restitution and the amount of liquidated damages to be assessed for violations of the provisions of this subtitle.

(b) *Private action not precluded.*

In no event shall such determination of restitution preclude an employee from instituting suit to recover any underpayments due him.

(City Code, 1950, art. 1, §16; 1966, art. 1, §19; 1976/83, art. 1, §22.) (Ord. 45-225; Ord. 67-969; Ord. 73-348.)

**§ 25-19. Effect of federal law.**

(a) *Agreements with federal government.*

In case of any conflict between any provision of this subtitle or any minimum wage rate or any rule or regulation established or adopted by the Board of Estimates under the authority of this subtitle, and any provision of, or minimum wage rate or rule or regulation established by, contained or provided in, or contemplated by, any agreement, and any papers forming a part thereof, between the Mayor and City Council of Baltimore and the federal government, or any agency thereof, then the provision or minimum wage rate or rule or regulation of such agreement shall control.

(b) *Suspension of Davis-Bacon Act.*

(1) In the event that the provisions of the Federal Davis-Bacon Act are suspended as authorized by § 6 of said Act then the Board of Estimates, during the period of such suspension of the Davis-Bacon Act, may suspend the application of the provisions of this subtitle with respect to any project upon which the United States Secretary of Labor would have been required to make a prevailing wage determination under said Davis-Bacon Act.

(2) Provided that if only a portion of a particular project requires a prevailing wage determination by the United States Secretary of Labor, the Board of Estimates may suspend the application of the provisions of this subtitle with respect to that portion only or with respect to the entire particular project in its discretion.

(3) Provided, however, that nothing herein contained shall be deemed to affect in any manner the provisions of this subtitle as they apply to non-federally funded projects.

(City Code, 1950, art. 1, §17; 1966, art. 1, §20; 1976/83, art. 1, §23.) (Ord. 45-225; Ord. 71-1020.)

**§ 25-20. Existing contracts excepted.**

  4. Assign to the City, in the manner, at times, and to the extent directed by the Engineer, all of the right, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the City shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;

  7. Use its best efforts to sell, in the manner, at the times, to the extent, and at the price or prices directed or authorized by the Engineer, any property of the types referred to in (6) above. The Contractor will not be required to extend credit to any purchaser, and may acquire any such property under the conditions prescribed by and at a price or prices approved by the Engineer; provided further that the proceeds of any such transfer or disposition shall be applied in reduction of any payments to be made by the City to the Contractor under this contract or shall otherwise be credited to the price or cost of the work covered by this contract or paid in such other manner as the Engineer may direct;
  8. Complete performance of any part of the work that has not been terminated by the Notice of Termination; and

- C. After receipt of a Notice of Termination, the Contractor shall submit to the Engineer its termination claim, in the form and with certification prescribed by the Engineer. This claim shall be submitted promptly but in no event later than six (6) months from the effective date of termination, unless one or more extensions in writing are granted by the Engineer upon request of the Contractor made in writing within the six-month period or authorized extension thereof. However, if the Engineer determines that the facts justify such action, he may receive and act upon any such termination claim at any time after the six-month period or any extension thereof. Upon failure of the Contractor to submit his termination claim within the time allowed, the Engineer may

determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and shall thereupon pay to the Contractor the amount so determined.

- D. Subject to the provisions of paragraph (C), the Contractor and the Engineer may agree upon the whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount or amounts may include a reasonable allowance for profit on work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total contract price as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated. The Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount. Nothing in paragraph (E) of this clause, prescribing the amount to be paid to the Contractor in the event of failure of the Contractor and the Engineer to agree upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this clause, shall be deemed to limit, restrict, or otherwise determine or affect the amount or amounts that may be agreed upon to be paid to the Contractor pursuant to this paragraph.
- E. In the event of the failure of the Contractor and the Engineer to agree as provided in paragraph (D) upon the whole amount to be paid to the Contractor by reason of the termination of work pursuant to this clause, the Engineer shall pay to the Contractor the amounts determined by the Engineer as follows, but without duplication of any amounts agreed upon in accordance with paragraph (D):
1. With respect to all contract work performed before the effective date of the Notice of Termination, the total (without duplication of any items) of:
    - i. the cost of the work;
    - ii. the cost of settling and paying claims arising out of the termination of work under subcontracts or orders, as provided in paragraph (B)(5) above, exclusive of amounts paid or payable on account of supplies or materials delivered or services furnished by subcontractors or vendors before the effective date of the Notice of Termination, which amounts shall be included in the costs payable under (i) above; and
    - iii. a sum, as profit on (i) above, determined by the Engineer to be fair and reasonable; provided, however, that if it appears that the Contractor would have sustained a loss on the entire Contract had it been completed, no profit shall be included or allowed under this subdivision (iii) and an appropriate adjustment shall be made reducing the amount of the settlement to reflect the indicated rate of loss; and
  2. The reasonable cost of the preservation and protection of property, incurred pursuant to paragraph B(8) above, and any other reasonable cost incidental to termination of the work under this Contract, including expenses incidental to the determination of the amount due to the Contractor as the result of the termination of the work under the Contract.

3. The total sum to be paid to the Contractor under (1) of this paragraph shall not exceed the total contract price as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated. Except for normal spoilage, and except to the extent that the City shall have otherwise expressly assumed the risk of loss, there shall be excluded from the amounts payable to the Contractor as provided in (E)(1) above, the fair value, as determined by the Engineer, of property that is destroyed, lost, stolen, or damaged so as to become undeliverable to the City or to a buyer pursuant to paragraph B(7).
- F. Costs claimed, agreed to, shall be in accordance with all applicable City, State and local laws, regulations and ordinances.
- G. The Contractor shall have the right of appeal, under the clause of the Specifications entitled "Disputes," from any determination made by the Engineer unless the Contractor has failed to submit his claim within the time provided herein and has failed to request and receive a written extension of time in which to submit his claim. In any case where the Engineer has made a determination of the amount due to the Contractor, the City shall pay to the Contractor the following:
1. if there is no right of appeal hereunder or if no timely appeal has been taken, the amount so determined by the Engineer, or
  2. if an appeal has been taken, the amount finally determined on such appeal.
- H. In arriving at the amount due the Contractor under this clause there shall be deducted
1. all unliquidated advances or other payments made to the Contractor, applicable to the terminated portion of this contract,
  2. any claim that the City may have against the Contractor in connection with this contract, and
  3. the agreed price for, or the proceeds of sale of, any materials, supplies, or other things acquired by the Contractor or sold, pursuant to the provisions of this clause, and not otherwise recovered by or credited to the City.
- I. If the termination hereunder is partial, the Contractor may file with the Engineer a claim for an equitable adjustment of the price or prices specified in the contract relating to the continued portion of the contract (the portion not terminated by the Notice of Termination), and such equitable adjustment as may be agreed upon shall be made in such price or prices. Any claim by the Contractor for an equitable adjustment under this clause shall be asserted within ninety (90) days from the effective date of the termination notice, unless an extension is granted in writing by the Engineer.
- J. The City may from time to time, under such terms and conditions as it may prescribe, make partial payments and payments on account against costs incurred by the Contractor in connection with the terminated portion of this contract whenever in

the opinion of the Engineer the aggregate of such payments shall be within the amount to which the Contractor shall be entitled hereunder.

- K. Unless otherwise provided for in this Contract, or by applicable statute, the Contractor shall, from the effective date of termination until the expiration of three years after final settlement under this contract, preserve and make available to the City at all reasonable times at the office of the Contractor but without direct charge to the City, all books, records, documents and other evidence bearing on the costs and expenses of the Contractor under this contract and relating to the work terminated hereunder, or, to the extent approved by the Engineer, reproductions thereof.

- Part E: MBE/WBE Participation Waiver Request** – to be completed and submitted by Bidder if unable to meet the participation goals. (Please note: Substantial documentation must be provided to justify reasons for not being able to meet goals) Specifically, on Part E numbers one, two, and three must be addressed in detail.

**2. VERIFYING CERTIFICATION**

- Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified with Baltimore City by the Small and Minority Business Advocacy &

Development Office (SMBA&D) at bid opening for the work and/or services to be performed on the contract. Art. 5, §28-48(d).

- The MBEs and WBEs named must be certified for the services they are listed to perform, and the services must be required as part of the Detailed Specifications of the contract.
- A directory of certified MBEs and WBEs is available online at <https://baltimorecity.diversitycompliance.com/>
- County, State, or Federal certification is not acceptable, the MBE and WBE **must** be certified with the City of Baltimore.

### 3. COUNTING MBE AND WBE PARTICIPATION

#### a) Participation of M/WBE's

**A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project.** The bidder must select the goal to which the business enterprise is to be counted. Art. 5, §28-31(b) and §28-35.

#### b) Credit for Self-Performance

A bidder that is an MBE or WBE may count up to 50% of the dollar value of the work it intends to perform with its own (prime) forces toward the applicable MBE or WBE goal. The amount of credit may not exceed the MBE's or WBE's available work capacity as calculated with the Contractor Prequalification rules. **Intentions to count self-performance toward the MBE or WBE goal must be indicated on Part C: Statement of Intent to Self-Perform.** Art. 5, §28-31(d).

#### c) Commercially Useful Function

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise, and actual responsibility to perform, manage and supervise. Art. 5, §28-32.

#### d) Joint Ventures

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, risks and operation of the joint venture commensurate with the member's percentage of ownership. The MBE or WBE member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control and management of the joint venture. Art. 5, §28-33.

#### e) Subcontracting by MBE or WBE

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to

be performed under its agreement with the bidder. This restriction does not apply to an MBE's or WBE's contracts for the purchase of materials, equipment or supplies that are incidental to the performance of services under its agreement with the bidder. Art. 5, §28-34.

f) Manufacturers and Suppliers

Manufacturers – A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. Art. 5, §28-36.

Non-Manufacturers – **Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers.** Art. 5, §28-37. *Example:* If the bid amount is \$100,000 and the MBE or WBE goal is 15% or \$15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is \$3,750 or 25% of the 15% goal.

g) Insurance Companies and Travel Agents

A bidder may count toward the contract goals only the fees or commissions charged by an MBE or WBE insurance company or travel agent. Art. 5, §28-38.

h) Financial Institutions

A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. Art. 5, §28-39.

i) Non-Affiliation

A bidder may not use an MBE or WBE to meet a contract goal if the bidder has a financial interest in, has an interest in the ownership or control of, or is significantly involved in the operation of the MBE or WBE. Art. 5, §28-41.

4. **WAIVER REQUESTS**

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. A waiver will not be granted unless the waiver request includes documentation that demonstrates good faith efforts to meet the goals. Art. 5, §28-62.

5. **SUBSTITUTION OF MBE OR WBE**

The Small and Minority Business Advocacy & Development Office (SMBA&D) must approve the substitution, after the award of a contract, of any MBE or WBE that is included on a bidder's Statement of Intent at the time of bid opening. Any unjustified failure to comply with this requirement after award of a contract is a material breach of contract. Art. 5, §28-63(a).

6. **CONTRACT REQUIREMENTS**

During the term of the contract, any unjustified failure to comply with the levels of MBE and WBE participation identified in the bid is a material breach of contract. Art. 5, §28-48 (e).

MBE and WBE participation is monitored using the Diversity Management System. You must log in and enter the needed information for each contract.

### Bidder Information Guide

#### **What are some common mistakes or omissions that I should try to avoid and things to keep in mind?**

- Any bid that does not include a signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit is non-responsive and will be rejected.
- Any Statement of Intent Form(s) and/or MBE/WBE Participation Affidavit that are not properly executed or do not contain all required information will result in a finding of non-compliance and will be rejected.
- **Utilizing a business that is not certified with the City of Baltimore or that has an expired certification, without an extension due to a pending application for renewal, will not count towards meeting a MBE/WBE participation goal.** City Code Article 5, §28-41(d) states that each bidder is responsible for verifying that all MBEs and WBEs to be used have been certified by the Office before bid opening.
- The failure to exercise good faith efforts when requesting a waiver and not meeting the applicable MBE/WBE goals for the contract will result in a finding of non-compliance
- A business enterprise that is Baltimore City certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. Art. 5, §28-31(b) and §28-35.
- A bidder that is a City certified MBE/WBE may only count up to 50% of the dollar value of the work it intends to perform with its own forces toward the applicable MBE or WBE goal. The amount of credit may not exceed the MBE/WBE's available work capacity as calculated with the Contractor Prequalification rules. Intentions to count self-performance toward the MBE or WBE goal must be indicated on Part C: Statement of Intent to Self-Perform. A bidder's statement that they will self-perform, but the business is not City certified as a MBE/WBE, may result in the bid being found non-compliant.
- A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, risks and operation of the joint venture commensurate with the member's percentage of ownership. The MBE or WBE member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control and management of the joint venture. Art. 5, §28-33.

- A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to an MBE/WBE that contracts for the purchase of materials, equipment or supplies that are incidental to the performance of services under its agreement with the bidder. Art. 5, §28-34.
- A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. Art. 5, §28-36.
- Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers. Art. 5, §28-37.
- A bidder may count toward the contract goals only the fees or commissions charged by an MBE or WBE insurance company or travel agent. Art. 5, §28-38.
- A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. Art. 5, §28-39.
- A bidder may not use an MBE or WBE to meet a contract goal if the bidder has a financial interest in, has an interest in the ownership or control of, or is significantly involved in the operation of the MBE or WBE. Art. 5§28-41.

**Is there any limitation of what services an MBE/WBE can perform that count towards the contract participation goals?**

MBE/WBEs subcontractors must perform a commercially useful function. Commercially useful function is defined in the City Code as the performance of real and distinct work for which the business enterprise has the skill, expertise, and actual responsibility to perform, manage and supervise. Art. 5, §28-32. As a result, the bidder should think broadly and consider all functions and services necessary to fully perform the contract.

**Can I get a waiver of the contract participation goals?**

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. A waiver will not be granted unless the waiver request includes documentation that demonstrates good faith efforts to meet the goals. Art. 5, §28-62. The bidder should have previously consulted the SMBA&D certification directory, <https://baltimorecity.diversitycompliance.com/>, and made attempts to secure MBE/WBE subcontractor participation.

Each waiver request must include documentation of your good faith efforts to secure, contact and negotiate with MBEs and WBEs, including:

- (1) The reasons your company is unable to secure sufficient MBE/WBE participation to meet the stated goals;
- (2) The efforts made by your company to select portions of the contract to be performed by MBEs and WBEs; &
- (3) For each MBE or WBE that placed a bid that you consider to be unacceptable, a statement that explains the basis for that conclusion.

Each waiver is reviewed individually, highly scrutinized, and will not be granted if the bidder's submission does not evidence that they undertook several steps to secure participation in good faith.

**What are “good faith efforts”?**

SMBA&D uses the term good faith efforts in several contexts including bid participation forms, waivers, and in evaluating efforts to meet contract participation goals by bidders. All efforts must begin with an evaluation of the availability of certified MBE/WBEs to perform the contract services by consulting the SMBA&D certification directory:

<https://baltimorecity.diversitycompliance.com/>

If there are certified MBE/WBEs that can provide the goods or services under the contract the contractor/vendor must undertake efforts to contact those businesses, secure price quotes, and exercise diligence in determining if they have the capabilities and expertise to perform. The availability of MBE/WBEs strongly undercuts any request for participation goals to be waived.

**The following are additional examples of actions that can show that efforts were undertaken in good faith to meet the applicable contract goals, including but not limited to:**

- The bidder should solicit interest as early in the acquisition process as practicable to allow the MBE/WBEs to respond to the solicitation and submit a timely offer for the subcontract. The bidder should determine with certainty if the MBE/WBEs are interested by taking appropriate steps to follow-up on initial solicitations.
- The bidder should identify portions of the work to be performed by MBE/WBEs in order to increase the likelihood that the MBE/WBE goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units (for example, smaller tasks or quantities) to facilitate MBE/WBE participation, even when the prime contractor might otherwise prefer to perform these work items with its own forces. This may include, where possible, establishing flexible timeframes for performance and delivery schedules in a manner that encourages and facilitates MBE/WBE participation.
- The bidder should provide interested MBE/WBEs with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation with their offer for the subcontract.
- A bidder using good business judgment would consider a number of factors in negotiating with subcontractors, including MBE/WBEs subcontractors, and would take a

firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using MBE/WBEs is not sufficient reason for a bidder's failure to meet the contract MBE/WBEs goal, as long as such costs are reasonable and not excessive.

- The bidder should engage in negotiations in good faith with interested MBE/WBEs. It is the bidder's responsibility to make a portion of the work available to MBE/WBEs subcontractors and suppliers and to select those portions of the work or material needed that is consistent with the available MBE/WBEs subcontractors and suppliers, so as to facilitate MBE/WBEs participation.
- Evidence of such negotiation includes: the names, addresses, and telephone numbers of MBE/WBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for MBE/WBEs to perform the work.
- Bidders should include detailed information regarding their attempts to secure participation. SMBA&D cannot accept unsupported statements about efforts to secure MBE/WBE participation. **All waivers must include documentation of those efforts.** For example: you should include email correspondence with subcontractors to show their response or lack of response.
- It is insufficient to simply state that you contacted a business and provide their directory entry or contact information. It is insufficient to make arguments why you believe the goals should be waived and you should be permitted to perform the entire contract with no participation goals. It is insufficient to detail that the contract was previously granted a waiver or that you were previously awarded this contract. A promise to use MBE/WBEs after contract award is not considered to be responsive to the contract solicitation or to constitute good faith efforts. Also, the ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the bidder of the responsibility to make good faith efforts or to meet the contract MBE/WBE participation goals.
- It is the bidder's responsibility to establish and document the efforts that were undertaken to secure MBE/WBE participation. **Waivers are judged solely based upon the information provided and detailed to SMBA&D in the bid submission.**
- There are numerous ways to identify subcontractors to participate on the contract such as: the SMBA&D certification directory, <https://baltimorecity.diversitycompliance.com/>, attending pre-bid information sessions, business matchmaking meetings and events, advertising and/or written notices, posting of Notices of Sources Sought and/or Requests for Proposals, and/or written notices or emails to all MBE/WBEs listed in SMBA&D's directory that specialize in the services or goods required to perform the contract.

- MBE/WBEs should not be rejected as unqualified without sound reasons based on a thorough investigation of their capabilities. Factors such as the contractor's standing within their industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union status) are not legitimate causes for the rejection or non-solicitation of bids in the contractor's efforts to meet the project goal.
- Bidders should make reasonable efforts, if needed, to assist interested MBE/WBEs in obtaining bonding, lines of credit, insurance, or related assistance or services as required by the subcontractor.
- Contacting and utilizing the services of available minority/women community organizations; minority/women contractors' groups; local, State, and Federal minority/women business assistance offices (including SMBA&D); and other organizations as allowed on a case-by-case basis to assist in the recruitment and placement of MBE/WBEs. When considering a waiver, you should contact SMBA&D if you feel as though you have exhausted the ability to identify additional MBE/WBEs who could perform on the contract.

**SMBA&D will evaluate all of the detailed efforts in determining if the bidder has exercised good faith efforts.**
